PHILIP MORRIS

U.S.A.

October 26, 1979

Dr. Helmut Grisch
Philip Morris Europe
Research Laboratory
P. O. Box 2003
Neuchatel
Switzerland

Dear Helmut:

We are forwarding to you this week by air mail two one-half pound samples of coarse ground materials for pesticide residues analyses. Samples descriptions are noted below.

1. E-91237 - Marlboro 42 basic blended strips, destined for Finland, ready date 10-5-79.

2. E-91236 - Marlboro 85 basic blended strips, destined for Yugoslavia, ready date 10-5-79.

3. E-91277 - Marlboro 87 basic blended strips, destined for Poland, ready date 9-28-79.

4. E-91496 - Marlboro 86 basic blended strips, destined for Austria, ready date 10-1-79.

Best personal regards.

Sincerely,

T. Hamlin, Manager
Tobacco Services Division
